Dear Hr.,

I am writing to express my interest in the Frontend developer at Deloitte. A first year student pursuing a Bachelor of Technology in Computer Science in specialization with AIML at Rungta international skills university , I am eager to apply my academic knowledge and develop practical skills within your esteemed organization.

During my studies, I have gained experience in Html, CSS ,Javascript which I believe align well with the requirements of this internship. I am particularly drawn to Deloitte because of its commitment to innovation, professional growth, impactful projects.

Please find my resume attached for your review. I would be grateful if I get this opportunity.

Thank you for considering my application. I look forward to the possibility of speaking with you.

Warm regards,
Aanchal Raj
